

May the 4th be with you!

Advances in HIV science and treatment can sometimes feel like science fiction. So on May The Fourth, Star Wars Day, why not join us to find out about science fact. We'll have workshops, presentations and food!

**4 May
2023**

Schedule:

At Positive East

159 Mile End Road, E1 4AQ

5pm to 6pm

Positive East services and facilities
